

USC Schwarzenegger Institute

*USC Center for
Sustainable Cities*

**Governor Schwarzenegger & the USC Schwarzenegger Institute
In Partnership with
The USC Center for Sustainable Cities**

Invite you to a **PUBLIC COMMENT FORUM** on the
National Climate Assessment and Development Advisory Committee's
Draft Climate Assessment Report, Southwest Region

Monday, April 8, 2013

4:00 pm – 6:00 pm

Price Auditorium – RGL 101, USC Price School of Public Policy

Opening remarks provided by Governor Arnold Schwarzenegger

**Highlights provided by the following scientists who contributed to the
report's key findings:**

Prof. Hilda Blanco, *USC Center for Sustainable Cities*

Dr. Philip Duffy, *Lawrence Livermore National Laboratory*

Dr. Tom Swetnam, *University of Arizona*

Dr. David Pierce, *Scripps*

Dr. Rupa Basu, *California Office of Environmental Health Hazard Assessment*

Mathew Heberger, P.E., *Pacific Institute*

**The public comment period ends April 12, 2013. This forum provides an
important opportunity to get on the record comments to national policy
leaders.**

As space is limited please RSVP to Amanda Ehrman at aehrman@price.usc.edu

A special thank you to Southern California Edison for sponsoring this event.
